

Looking to solve the business licensing and permit puzzle?

From concept to business plan, you have nurtured your dream and are ready to make it a reality. Now what?

CLAS Worldwide Information Services understands how the pieces all fit together. CLAS can locate all of the required forms, applications and license permits and make easy work of the following:

- Assembling a complete and comprehensive compliance package including Federal, State, County and Municipal forms for any business type.
- Save you valuable time by completing the forms so you can continue to focus on your business.
- Providing an estimate of fees so you know the costs up front.
- Expedite the process of obtaining your license.
- Eliminate the frustration of not knowing what, how or where to file.

For clients not desiring full-service for licenses and permits we can offer assistance in assembling the package and providing instructions` a la carte.

For a sample package or more information call us at 800.952.5696. For your convenience you can also reach us online at www.clasinfo.com.
